“Together, we can build a healthy and productive catchment”

Help the

**BREMER CATCHMENT
ASSOCIATION INC.**

to make a difference

The Bremer Catchment Association Inc. aims to involve landholders, business, industry, government and residents in a partnership to:

Develop and implement actions in a catchment management strategy that:

- Minimises existing and future degradation of resources and values
- Improves our sustainable productive capacity
- Enhances and protects the natural beauty of our unique environment
- Ensures that further development is appropriate and sustainable
- Improves urban and rural community awareness of actions that impact on catchment and waterway values
- Remediates past environmental damage
- Monitors effectiveness of actions for future applications

Membership to the Bremer Catchment Association Inc. is open to individuals and organisations.

Members are entitled to:-

- Nominate and vote** for management positions of the Association
- Participate in projects** and activities initiated by the Association
